

Gyration Radius (Å) quantiles with roughness profiles (native, decoys)

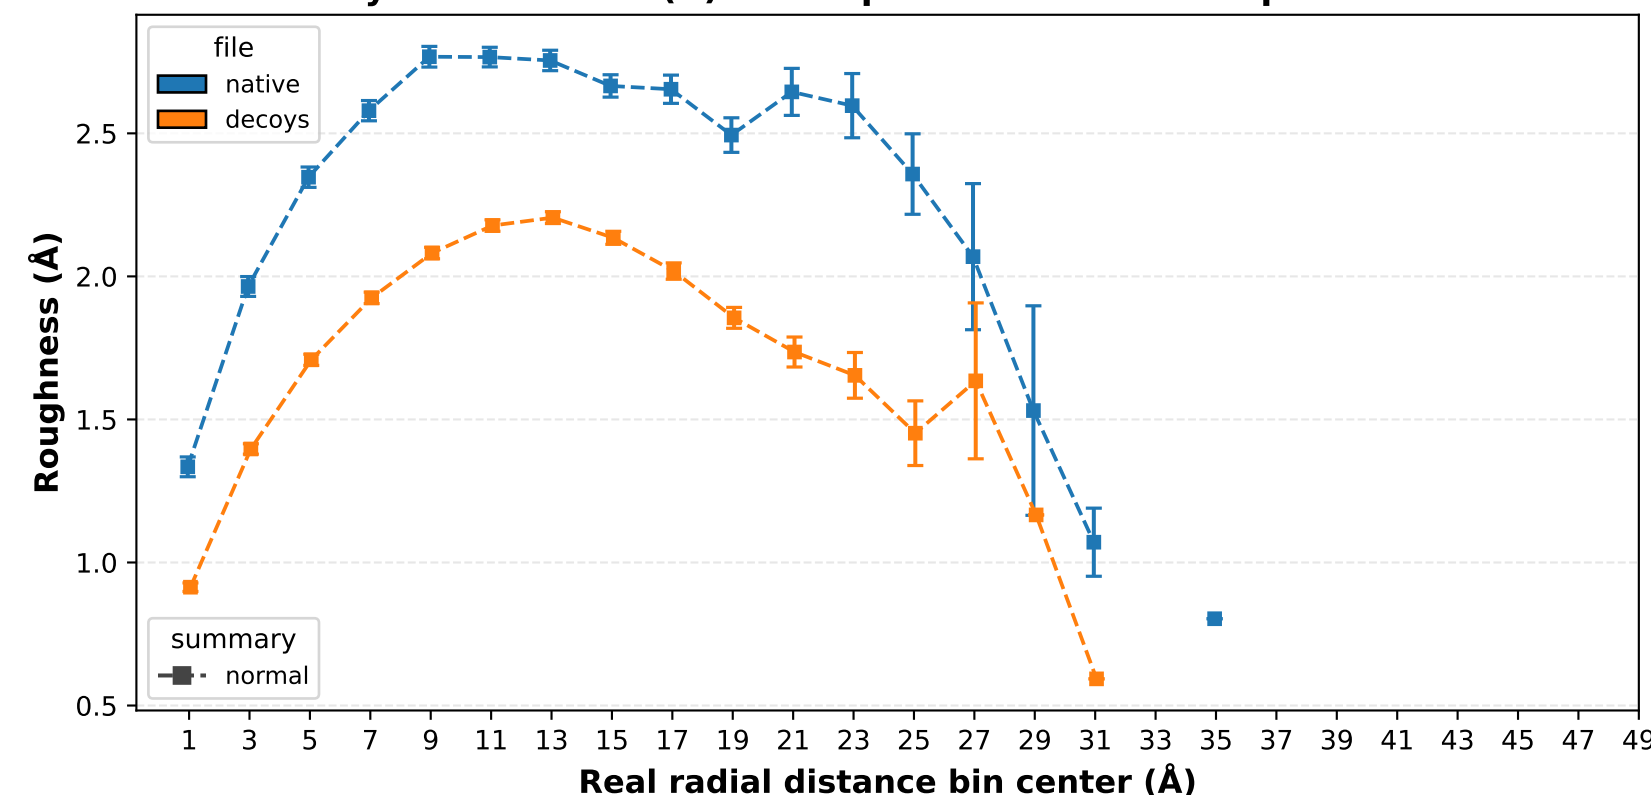

Gyration Radius (Å) distribution and quantile thresholds

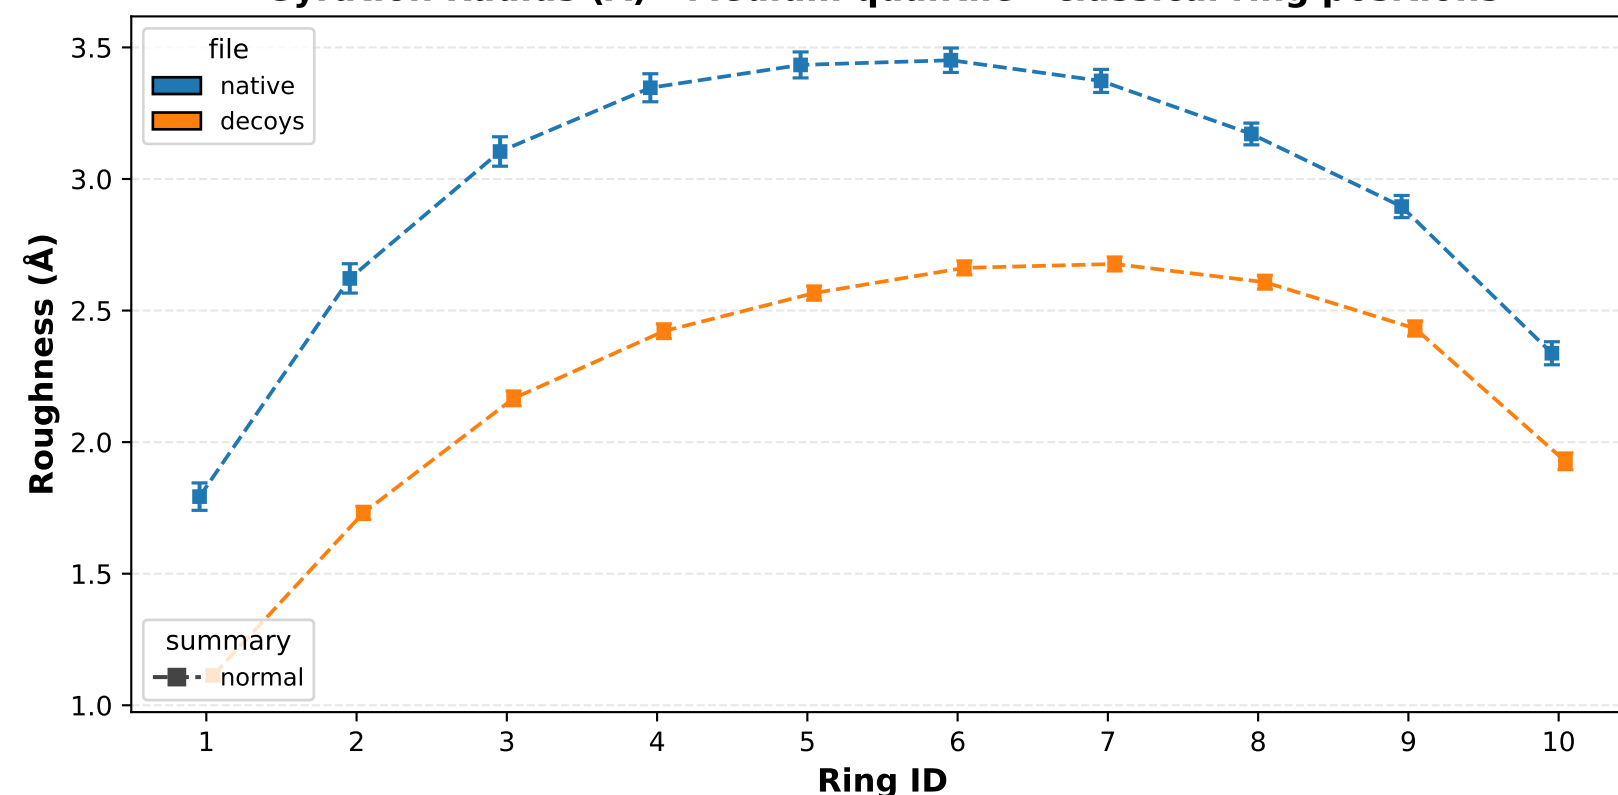

Gyration Radius (Å) - Low quantile - classical ring positions

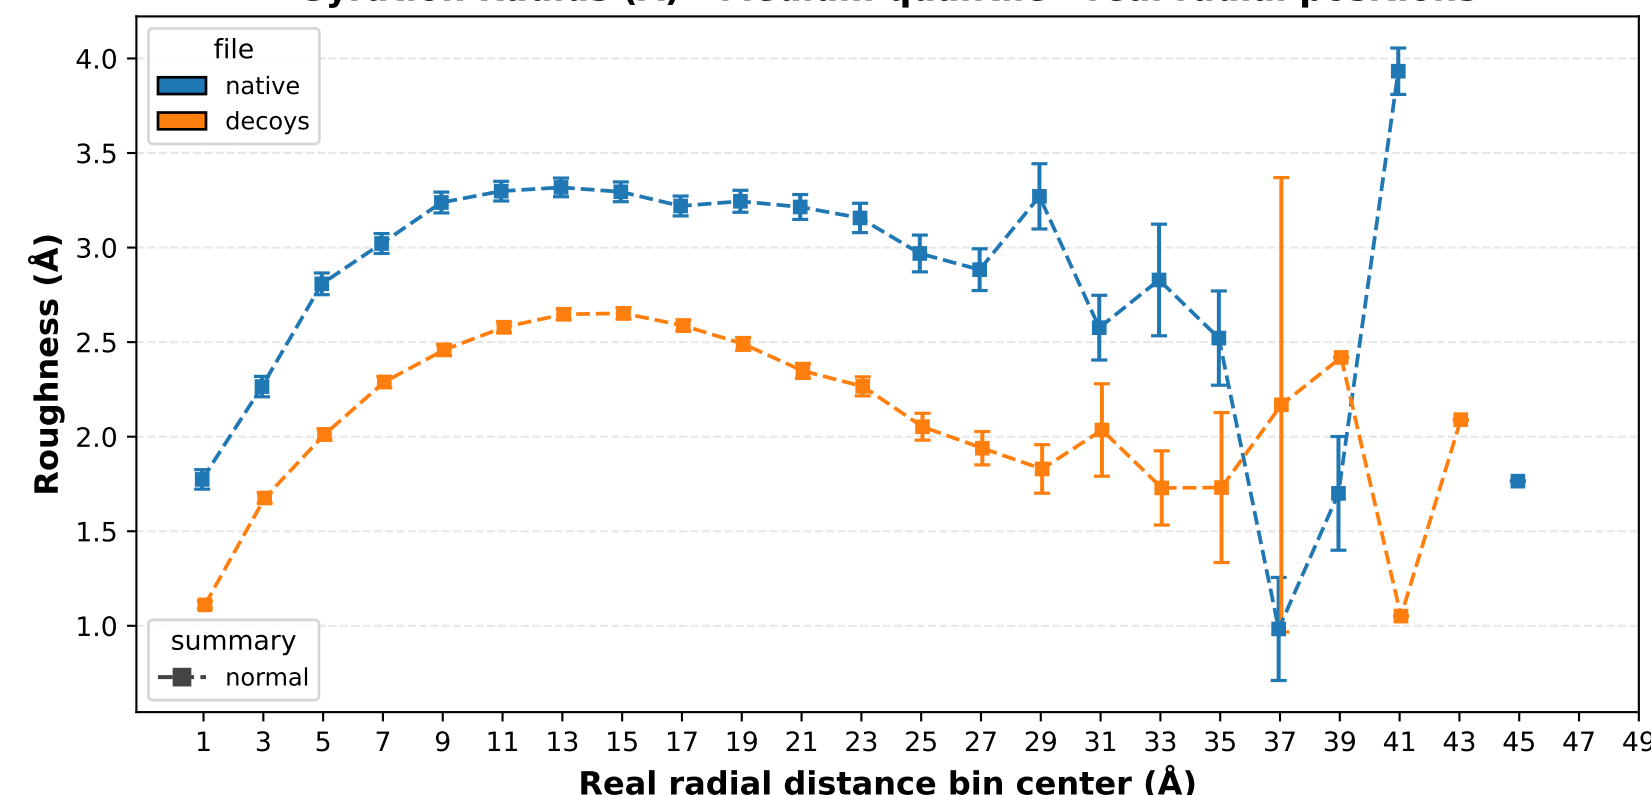

Gyration Radius (Å) - Low quantile - real radial positions

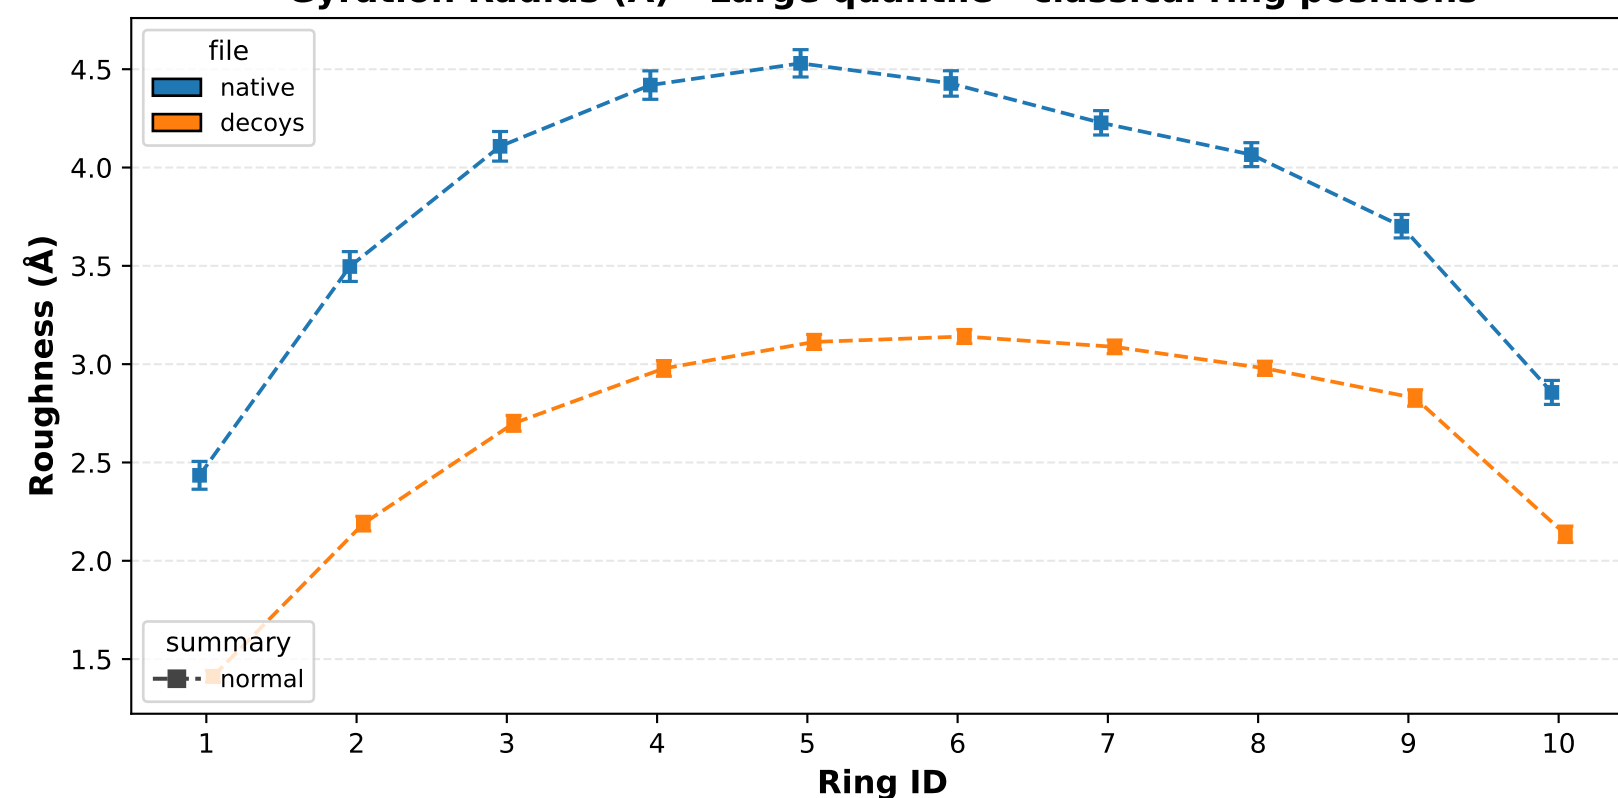

Gyration Radius (Å) - Medium quantile - classical ring positions

Gyration Radius (Å) - Medium quantile - real radial positions

Gyration Radius (Å) - Large quantile - classical ring positions

Gyration Radius (Å) - Large quantile - real radial positions
