

Radius (Å) quantiles with roughness profiles (native, decoys)

Radius (Å) distribution and quantile thresholds

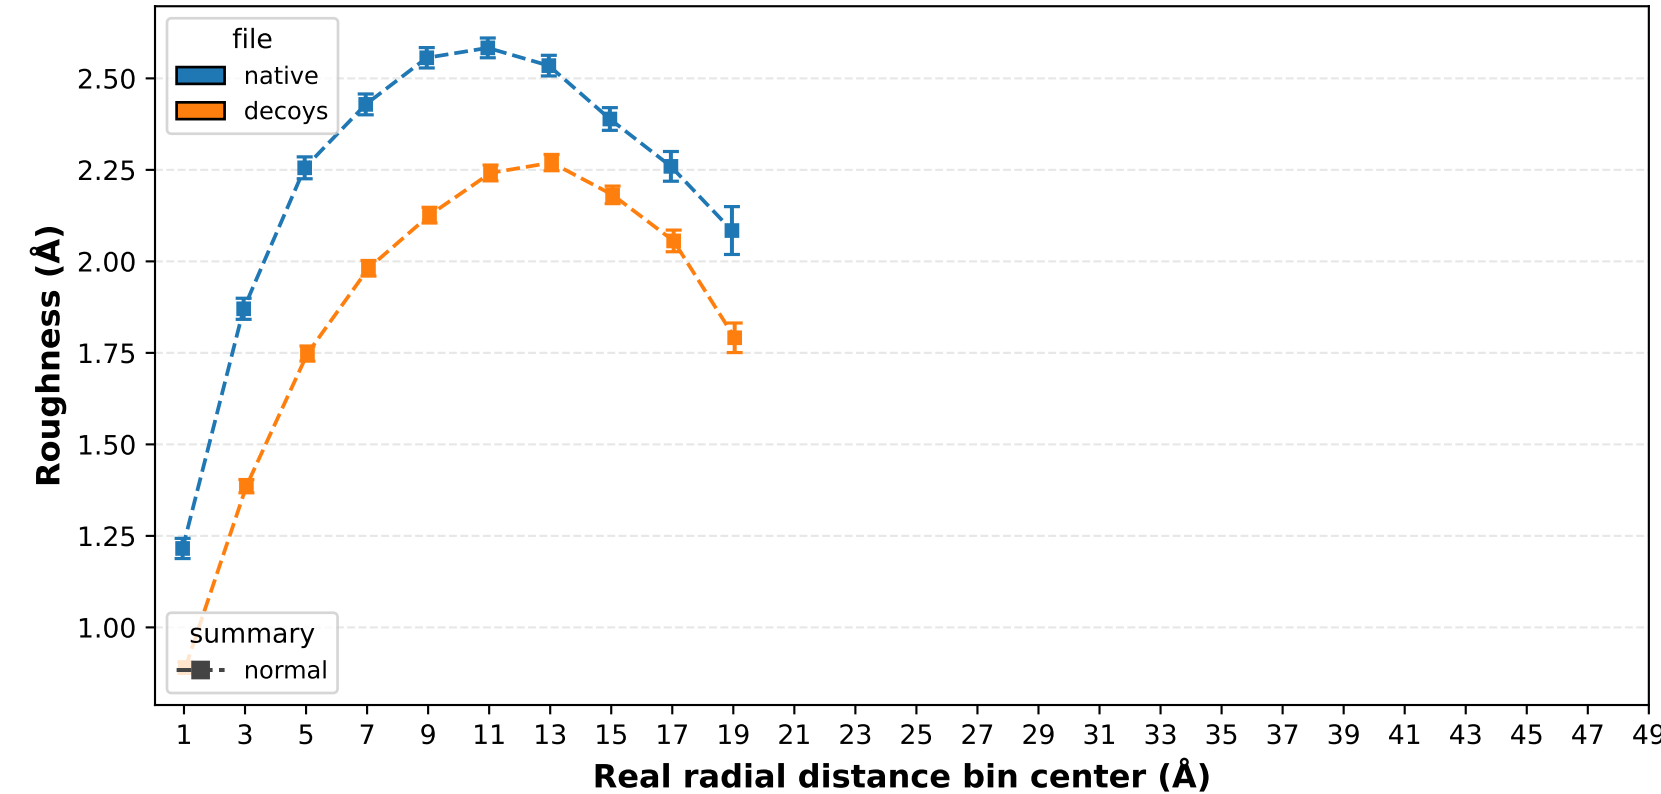

low

Radius (Å) - Low quantile - classical ring positions

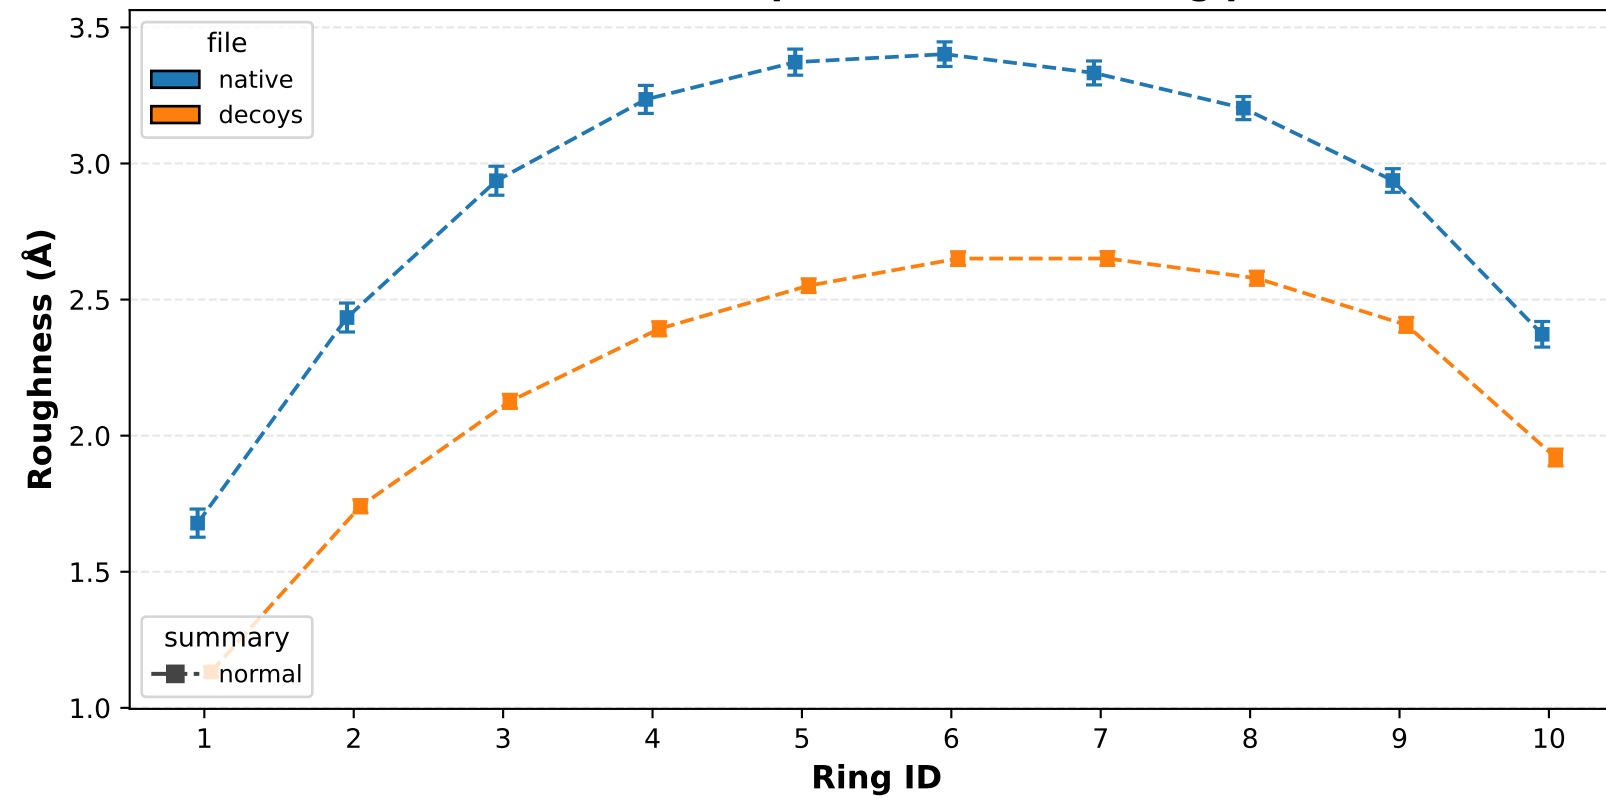

Radius (Å) - Low quantile - real radial positions

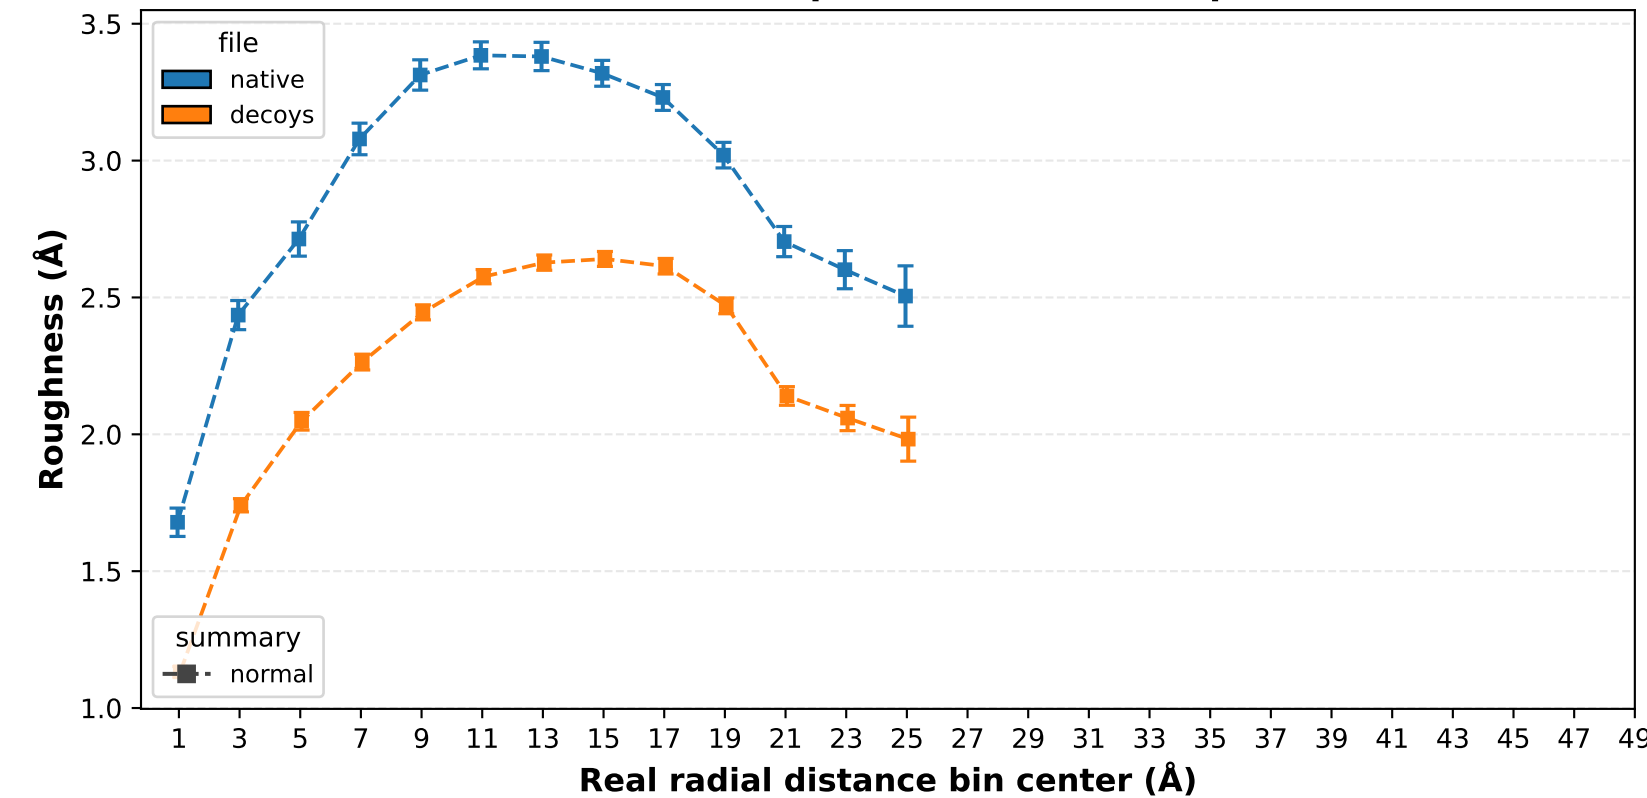

medium

Radius (Å) - Medium quantile - classical ring positions

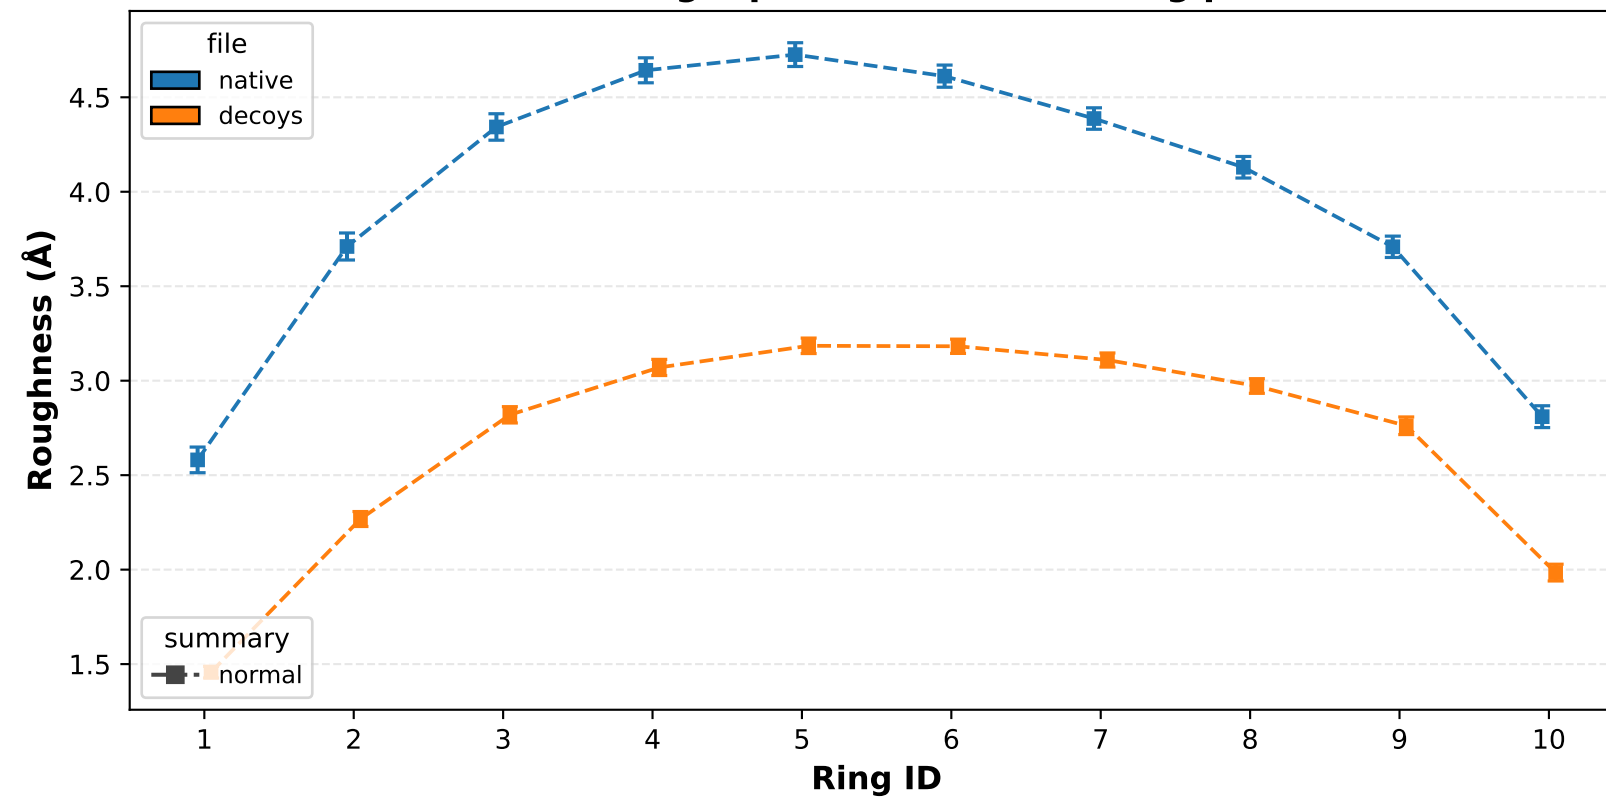

Radius (Å) - Medium quantile - real radial positions

large

Radius (Å) - Large quantile - classical ring positions

Radius (Å) - Large quantile - real radial positions
